One last thing before I go- I just joined a blog <http://teachmentortexts.com> that shows mentor texts for reading and writing. #rwworkshop

kelleemoye 8/3/2011 10:18 PM @kelleemoye We got the book "Acts of Teaching: How to Teach Writing" by Joyce Armstrong Carroll and Edward Wilson. #rwworkshop

jennann516 8/3/2011 10:17 PM and Edward Wilson. #rwworkshop

kelleemoye 8/3/2011 10:17 PM @jennann516 Wow- what a great training! #rwworkshop

kelleemoye 8/3/2011 10:16 PM @hale27storm And how'd it go? Students enjoy it? Worth it? #rwworkshop  
@kelleemoye The writing was a 12 day training, and we were the students the whole time, going through the writing process. #rwworkshop

jennann516 8/3/2011 10:16 PM through the writing process. #rwworkshop

hale27storm 8/3/2011 10:16 PM @kelleemoye I did book reviews and book trailers this year #rwworkshop  
Want to connect books with work in the field at local natural areas- use video of those fieldtrips as part of the book trailers. #rwworkshop

bgail59 8/3/2011 10:15 PM part of the book trailers. #rwworkshop

kelleemoye 8/3/2011 10:15 PM @jennann516 Sounds like it! #rwworkshop

jennann516 8/3/2011 10:15 PM @kelleemoye Abydos took over the New Jersey Writing Project. It was amazing. #rwworkshop

jennann516 8/3/2011 10:13 PM @CoachAllam That's a great idea! Who would contribute reviews? #rwworkshop

kelleemoye 8/3/2011 10:13 PM @jamilla7672 How often do you have students do reviews and/or book talks? #rwworkshop  
@CoachAllam We have to do fiction, expository, drama, poetry, bio/autobio/memoir for district.

 @CoachAllam When I finish a good book, I want to talk about it...I want to provide them a way to do  
 jennann516 8/3/2011 10:05 PM the same :) #rwworkshop  
 @CoachAllam Great idea! We're using 1-pagers in place of Reading Counts if the students choose it.  
 kelleemoye 8/3/2011 10:04 PM Wonderful alternative! #rwworkshop  
 @CoachAllam I want them to TALK about their rdng! Everyone is reading something diff...but what do  
 jennann516 8/3/2011 10:04 PM the books have in common? #rwworkshop  
 CoachAllam 8/3/2011 10:03 PM We are going to use @KellyGToGo one-pagers to start student conferences #rwworkshop  
 @kelleemoye @ShellyMSims Yes! - and many are so literal until we change the way they interact with  
 ShellyMSims 8/3/2011 10:03 PM reading. #rwworkshop  
 kelleemoye 8/3/2011 10:02 PM @jennann516 The new department I am in uses CHAMPs as well :) #rwworkshop

@kelleemoye Also for routines, we use CHAMPs to set behavior expectations, so we could CHAMP and  
 jennann516 8/3/2011 10:01 PM review the expectations. #rwworkshop  
 @ShellyMSims It is only through these discussions that we can understand the thinking of our  
 kelleemoye 8/3/2011 10:01 PM students. #rwworkshop  
 kelleemoye 8/3/2011 10:00 PM @jennann516 Where do you get your sentence starters for discussion? #rwworkshop  
 I have a digital file of the "Say Something" cards that I can email if you DM me your email!  
 jennann516 8/3/2011 10:00 PM #rwworkshop They're great!  
 Try to question students in a way that may challenge them or change the way they think of a  
 ShellyMSims 8/3/2011 10:00 PM character/theme/setting etc #rwworkshop  
 @CoachAllam @kelleemoye I'm going to make "Say Something" cards for each student, which provide  
 jennann516 8/3/2011 10:00 PM sentence starts for disc. #rwworkshop  
 I conference with students about their reading. I want to know whether interactions are surface or  
 ShellyMSims 8/3/2011 9:59 PM deep. #rwworkshop  
 @kelleemoye @CoachAllam @wclodfelter Role play for sure. I'm starting with a "fishbowl  
 jennann516 8/3/2011 9:59 PM conference" where students watch first. #rwworkshop  
 kelleemoye 8/3/2011 9:58 PM @jennann516 @CoachAllam Help connect the theme to their independent reading. #rwworkshop  
 @jennann516 @CoachAllam If I do peer conferences, the conferences would be focused around the  
 kelleemoye 8/3/2011 9:58 PM theme of our unit. #rwworkshop  
 @CoachAllam Each 6 weeks is a different genre. My reading modeling/booktalks will be in the genre  
 jennann516 8/3/2011 9:57 PM we're supposed to write. #rwworkshop  
 @kelleemoye @jennann516 Role play at the beginning may be a good way to show what a good peer  
 wclodfelter 8/3/2011 9:56 PM conference looks like. #rwworkshop  
 @jennann516 What is your goal for the student conferences? What do you want them to discuss?  
 CoachAllam 8/3/2011 9:56 PM #rwworkshop  
 @CoachAllam My district says we should take 1 piece of writing through process each 6 weeks.  
 jennann516 8/3/2011 9:56 PM #rwworkshop  
 My conf card would have them fill in who they conf w/, title of book, what was discussed  
 jennann516 8/3/2011 9:54 PM #rwworkshop  
 @jennann516 How do you set routines for peer conferences? Worried about doing them in middle  
 kelleemoye 8/3/2011 9:54 PM school... #rwworkshop  
 jennann516 8/3/2011 9:53 PM @kelleemoye Yes. I'm thinking about 3 peer conf per 6 weeks? #rwworkshop  
 wclodfelter 8/3/2011 9:53 PM @jennann516 I really like the conference table idea! #rwworkshop

jennann516 8/3/2011 9:53 PM Laura Robb's "Differentiating Reading Instruction" is a great resource as well. #rwworkshop

ShellyMSims 8/3/2011 9:52 PM @bgail59 Make haste slowly (I have to repeat that to myself on a daily basis)! #rwworkshop  
@bgail59 That's what I worry about this year that setting the routines will seem like it takes FOREVER.

kelleemoye 8/3/2011 9:52 PM But it is worth it..... #rwworkshop

hale27storm 8/3/2011 9:52 PM I think Katie Wood Ray has a conference card...or sheet #rwworkshop

kelleemoye 8/3/2011 9:51 PM @jennann516 So you peer conference? #rwworkshop

kelleemoye 8/3/2011 9:51 PM @jennann516 Smart. I will definitely implement a conference table. #rwworkshop

CoachAllam 8/3/2011 9:51 PM How many process pieces do you produce a semester in #rwworkshop ?  
It's hard to take the time to set those routines. I have to keep reminding myself it's time well spent.

bgail59 8/3/2011 9:51 PM Then review, review. #rwworkshop  
I want to come up with a "Conference Card" where they write down who they conf w/ and what was

jennann516 8/3/2011 9:51 PM discussed for accountability. #rwworkshop  
I have a small table designated for students where they can conf together. No talking unless at the

jennann516 8/3/2011 9:50 PM table. #rwworkshop  
Some favorite authors: Jane Yolen, Cynthia Rylant, Patricia Polacco, Steve Jenkins, Patricia MacLachlan,

bgail59 8/3/2011 9:50 PM Jon Scieszka #rwworkshop  
@wclodfelter Could always confer 2-3 days a week and read the others. (Would depend on the size of

kelleemoye 8/3/2011 9:49 PM the class...) #rwworkshop  
@kelleemoye I haven't found a good time other than reading. I'm hoping to just start earlier this year

wclodfelter 8/3/2011 9:49 PM and build a good routine. #rwworkshop  
@bgail59 @wclodfelter Students will collab with setting up guidelines for what it looks/sounds like

jennann516 8/3/2011 9:48 PM while I'm conf'ing. #rwworkshop

jennann516 8/3/2011 9:47 PM @CoachAllam You should join our #rwworkshop talk!

ShellyMSims 8/3/2011 9:47 PM Great mentor text site for writing that I also modify and use for RW is <http://writingfix.com/>  
@wclodfelter I have thought about that too. But when else can you confer if not during reading time?

kelleemoye 8/3/2011 9:47 PM #rwworkshop  
@wclodfelter My students do the same! I'll start out reading with them, then set up guidelines for

jennann516 8/3/2011 9:46 PM when I'm conf. #rwworkshop  
I'll have my old kindergartners in 4th/5th this year. Plan to use our old picture book faves from

bgail59 8/3/2011 9:46 PM kindergarten where I can. #rwworkshop

@jennann516 I'm trying to catch up on my picture book reading so I can use more for anchors.  
 kelleemoye 8/3/2011 9:46 PM #rwworkshop

wclodfelter 8/3/2011 9:46 PM @jennann516 I love using picture books! What are some good titles that you use? #rwworkshop  
 kelleemoye 8/3/2011 9:46 PM @hale27storm I really need to catch up on my Atwell reading! #rwworkshop  
 CRASH, BANG, BOOM and IF YOU GIVE A TEACHER A BOOK are great resources for using picture books

jennann516 8/3/2011 9:45 PM as models. #rwworkshop  
 kelleemoye 8/3/2011 9:45 PM @NerdgirlAZ #rwworkshop :)

@bgail59 @wclodfelter Common reading is a great place to model reading! Gradual Release of  
 ShellyMSims 8/3/2011 9:44 PM Responsibility #rwworkshop  
 I will use picture books as common text for introducing concepts, model using my own novel, then

jennann516 8/3/2011 9:44 PM students will apply in own rdg. #rwworkshop  
 @wclodfelter I'm heading into year 31 and I'm still working on the management piece, too. Have to

bgail59 8/3/2011 9:43 PM refine it for each class. #rwworkshop  
 @wclodfelter Nice. Apply what we learned from common text to your individual reading. Higher level

bgail59 8/3/2011 9:43 PM of thinking.

@bgail59 Probably so. As a fairly new teacher I'm still working on the management piece. I feel more

wclodfelter 8/3/2011 9:42 PM confident this year. #rwworkshop  
 Could you alternate using the text and then they get to choose a novel - rotate as often as you can get

ShellyMSims 8/3/2011 9:42 PM in? Love all your ideas! #rwworkshop

hale27storm 8/3/2011 9:42 PM I like to use short stories as common text sometimes...some came from textbook #rwworkshop  
 @bgail59 I used a combo last year. Textbook for minilesson then their own choice for ind. reading and

wclodfelter 8/3/2011 9:41 PM practice. #rwworkshop  
 @wclodfelter Would defining roles during workshop time help? Kids can see it's your job to confer

bgail59 8/3/2011 9:40 PM with them.

bgail59 8/3/2011 9:39 PM Or combo of textbook/ choice of text?

My biggest prob is making time for conferencing. My kids seem to read better when I'm reading too.

wclodfelter 8/3/2011 9:39 PM #rwworkshop  
 hale27storm 8/3/2011 9:39 PM @kelleemoye Hmm...Reading in the Middle? #rwworkshop  
 bgail59 8/3/2011 9:39 PM Choice is key, I think. Can they choose within the textbook?

Thinking about ways to spotlight kids sharing books with kids. Displays (Dylan is reading -title- with photo), then review. #rwworkshop

bgail59 8/3/2011 9:38 PM

ShellyMSims 8/3/2011 9:38 PM @kelleemoye Do students get to choose their own texts at any point? #rwworkshop

@kelleemoye I have a textbook that I have to use, its usually my model text. When I use our comp program its a rotation #rwworkshop

wclodfelter 8/3/2011 9:36 PM

I also read aloud snippets of books and encourage students to share quotes. Good jumping pt for writing #rwworkshop

ShellyMSims 8/3/2011 9:36 PM

kelleemoye 8/3/2011 9:36 PM @hale27storm Which Atwell book are they in? #rwworkshop

@wclodfelter ... 3 letters/6 weeks. The letter will be their thoughts + disc. of strategy/element that we've studied. #rwworkshop

jennann516 8/3/2011 9:35 PM

RT @bgail59: Love Patrick Allen's Conferring. Tools for planning strategy studies, defining tchr/student roles, record keeping. #rwworkshop

donalynbooks 8/3/2011 9:35 PM

I'm worried about implementing rdg workshop w/ fidelity when I have to use a reading program & a computer program in my classes #rwworkshop

kelleemoye 8/3/2011 9:34 PM

hale27storm 8/3/2011 9:34 PM I follow the Atwell literary letter guidelines #rwworkshop

@wclodfelter I learned about the Literary Letter at an Abydos Reading conf this summer. This is how I plan to do mine... #rwworkshop

jennann516 8/3/2011 9:33 PM

@wclodfelter @jennann516 We read THG in 8th grade reading, so I hope they can go see the movie. #rwworkshop

kelleemoye 8/3/2011 9:32 PM

wclodfelter 8/3/2011 9:31 PM @jennann516 What do you require in the Literary Letters? #rwworkshop

@wclodfelter I know...mine is right by our state testing as well. I'm hoping we can go a day other grades are testing #rwworkshop

jennann516 8/3/2011 9:31 PM

@kelleemoye Yes! I've read all of Atwell's books, but @donalynbooks gave me the practical "this makes sense" push. #rwworkshop

jennann516 8/3/2011 9:30 PM

wclodfelter 8/3/2011 9:30 PM @jennann516 I like that idea! If I can pull off a field trip that close to FCAT... #rwworkshop

Then I realized that my conferring while they read was "assessment" and most valuable. Book Talks integral

ShellyMSims 8/3/2011 9:29 PM

@jennann516 I try to pick bks at all levels to start. And several genres, my students tend to get stuck in the "drama" books #rwworkshop

wclodfelter 8/3/2011 9:29 PM

When I was in blk scheduling I always felt like I didn't have time to actually let them read, but that is the most imp part! #rwworkshop

ShellyMSims 8/3/2011 9:29 PM

Love Patrick Allen's Conferring. Tools for planning strategy studies, defining tchr/student roles, record

bgail59 8/3/2011 9:28 PM keeping. #rwworkshop

jennann516 8/3/2011 9:28 PM I'll use conferencing and reading journals for monitoring as well as Literary Letters. #rwworkshop

@jennann516 I am going to use reading journals and conferences to "monitor" reading. Conferences

kelleemoye 8/3/2011 9:23 PM will be during reading time. #rwworkshop  
@jennann516 haven't decided yet. Def Hunger Games, probably 1 from Urban Underground series.

wclodfelter 8/3/2011 9:22 PM Haven't gotten much further. #rwworkshop
