payanar	8/1/2012	9:58 PM	Thanks for the great ideas everyone! #rwworkshop @SheskeyS I've been using edublogs, also for both reading and writing workshop.
mardieteach	8/1/2012	9:58 PM	#rwworkshop @utalaniz @kelleemoye Nope, I teach fifth but was in and out of chat tonight.
katsok	8/1/2012	9:58 PM	#rwworkshop @mindi_r maybe something with CCSS or assessment within workshop (where do
teachandgolf	8/1/2012	9:58 PM	your grades come from), first month successes?? #rwworkshop #rwworkshop You have all made me jealous tonight. Won't have same beginning of
mindi_r	8/1/2012	9:57 PM	year as a coach @kelleemoye thanks for bringing us together around this talkworthy topic
rscalateach	8/1/2012	9:57 PM	#rwworkshop @utalaniz @kelleemoye No. Used to be Gr 3 and 4 teacher. Now Elem AP focused on
ScottMiddlemiss	8/1/2012	9:57 PM	curriculum! #rwworkshop @ScottMiddlemiss Thanks! I'm in TX where we aren't using CCSS. But I'm learning
utalaniz	8/1/2012	9:56 PM	about it anyway. #rwworkshop @katsok @mindi_r @kelleemoye Yes, thank you! I learned a lot :) RT @mardieteach: Thank you @kelleemoye for a
davestuartjr	8/1/2012	9:56 PM	great #rwworkshop chat! #rwworkshop
kelleemoye	8/1/2012	9:56 PM	@mardieteach Thank you for being here! :) #rwworkshop #rwworkshop Thank you, everyone for joining us tonight. Any ideas for September's
mindi_r	8/1/2012	9:56 PM	discussion? What do you need? @utalaniz we are a project school with tc for r&w workshop - but teach balanced lit -
rscalateach	8/1/2012	9:56 PM	word study, read aloud, w&r workshop etc #rwworkshop
mardieteach	8/1/2012	9:55 PM	Thank you @kelleemoye for a great #rwworkshop chat!
gilkatgil	8/1/2012	9:55 PM	@utalaniz (Can I say that the Daily 5 scares me?) #rwworkshop @mindi_r @jennann516 Agreed. Teachers modeling authentic use of Writers Ntbk so
ScottMiddlemiss	8/1/2012	9:55 PM	important! #rwworkshop
teachandgolf	8/1/2012	9:55 PM	@rscalateach Have that one too-thanks! #rwworkshop @rscalateach #rwworkshop Yes, yes, yes.... Strategies That Work. And the
mindi_r	8/1/2012	9:55 PM	Comprehension Toolkit is great as a starter for lessons!

@teachandgolf strategies that work by Harvey and Goudvis - a great resource too
 rscalateach 8/1/2012 9:55 PM #rwworkshop
 @rscalateach Great! Teachers around me use Daily Five. Are you using #rwworkshop
 utalaniz 8/1/2012 9:54 PM only?
 Thanks everyone for the good thoughts and routine ideas! Thanks @kelleemoye
 teachandgolf 8/1/2012 9:54 PM @mindi_r!! #rwworkshop
 @utalaniz @katsok @mindi_r @kelleemoye Here is link to Curricular Plans.
 ScottMiddlemiss 8/1/2012 9:54 PM <http://t.co/27z9l7Z1> #rwworkshop
 @mindi_r I like the thought of the To Understand book--after all, that's what reading
 teachandgolf 8/1/2012 9:53 PM is about--meaning. #rwworkshop
 @kelleemoye #rwworkshop Thanks, Kellee.... Don't forget to visit the wiki for
 mindi_r 8/1/2012 9:53 PM archives and resources!
 @AndersonGL What grade level? I am still trying to figure out blog requirements...use
 payanar 8/1/2012 9:53 PM kidblogs #rwworkshop
 @jennann516 Students love doing that - bring in photos, etc. a la @writer 's Write
 mardieteach 8/1/2012 9:53 PM Beside Them #rwworkshop
 @jennann516 yes i love the idea of a teaching text - designing my own readers and
 rscalateach 8/1/2012 9:53 PM writers notebook so important for demo texts #rwworkshop
 kelleemoye 8/1/2012 9:53 PM Wiki for reading/writing workshop chat- <http://t.co/tYA7LRwW> #rwworkshop
 @mardieteach We do blogging on KidBlogs with both readers and writers workshop.
 SheskeyS 8/1/2012 9:52 PM #rwworkshop
 kelleemoye 8/1/2012 9:52 PM @teachandgolf I have books listed on the wiki. #rwworkshop
 rscalateach 8/1/2012 9:52 PM @utalaniz I'm elem - I teach 4th #rwworkshop
 @utalaniz @katsok @mindi_r @kelleemoye Last time, we talked about her new
 ScottMiddlemiss 8/1/2012 9:52 PM Curricular Plans aligned to CCSS. Have u seen them? #rwworkshop
 @teachandgolf #rwworkshop If you're looking at comprehension, Mosiac and Ellin's
 mindi_r 8/1/2012 9:52 PM second book TO Understand are great.
 I'm looking for a class or two to swap blog comments with my students, if that fits
 AndersonGL 8/1/2012 9:52 PM anyone's situation. #rwworkshop

jennann516 8/1/2012 9:51 PM @mindi_r Yes! I'm going to decorate my practice notebook to show them what they can do :) #rwworkshop
 gilkatgil 8/1/2012 9:51 PM @jennann516 This is a fun project I do each year. Also helps when you can't figure out who left a NB behind! #rwworkshop
 teachandgolf 8/1/2012 9:51 PM @mindi_r I'll start with Comprehension. Or any book that's just outstanding #rwworkshop
 mindi_r 8/1/2012 9:51 PM @teachandgolf #rwworkshop We do have a wiki for the chat. Kellee can post URL (I always forget it!)
 utalaniz 8/1/2012 9:51 PM @kelleemoye Am I the only elem. teacher here? #rwworkshop
 payanar 8/1/2012 9:51 PM I agree. RT @SheskeyS: Frank Serafini has some great books out on reading workshop. Also like Laura Robb. #rwworkshop
 jennann516 8/1/2012 9:51 PM @ScottMiddlemiss My students won't have a binder, just the notebook. #rwworkshop
 kelleemoye 8/1/2012 9:51 PM @mardieteach @rscalateach @mindi_r
 mindi_r 8/1/2012 9:51 PM @jennann516 #rwworkshop My science teachers do that. It is great! #rwworkshop
 rscalateach 8/1/2012 9:51 PM @mindi_r #rwworkshop Don't forget to do yours, too. That's the most fun!
 teachandgolf 8/1/2012 9:51 PM @teachandgolf the art of teaching reading and UOS 3-5 for Reading by TCRWP Staff or Kathy Collins Growing Readers for primary #rwworkshop
 mardieteach 8/1/2012 9:51 PM I wish there was a "dropbox" where we could all just put document w/ ideas and share things there to see, use/collaborate! #rwworkshop
 SheskeyS 8/1/2012 9:51 PM Will blogging be part of your writing workshop this year? #rwworkshop
 mardieteach 8/1/2012 9:50 PM Frank Serafini has some great books out on reading workshop. Also like Laura Robb. #rwworkshop
 jennann516 8/1/2012 9:50 PM @ScottMiddlemiss @jennann516 @rscalateach @mindi_r Good idea! #rwworkshop
 Thinking of providing a chance for students to personalize/decorate composition books. Get to know them better a bit. #rwworkshop

@teachandgolf #rwworkshop What part of reading? Comprehension? Struggling
 mindi_r 8/1/2012 9:50 PM readers? Reading response? There's so much out there.....
 @ScottMiddlemiss @katsok @mindi_r @kelleemoye I use Lucy Calkins Units of Study
 utalaniz 8/1/2012 9:50 PM for WW, too. #rwworkshop
 @teachandgolf I read Mosaic when I was first learning about rdg strategies. Worth the
 payanar 8/1/2012 9:50 PM money if you don't know a lot about it. #rwworkshop
 @teachandgolf but thinking is foundational to comprehension strategy instruction
 rscalateach 8/1/2012 9:50 PM #rwworkshop
 @mindi_r Okay-any particular book for reading that you recommend?? #rwworkshop
 teachandgolf 8/1/2012 9:49 PM They should really make composition notebooks as large as spirals...#justsaying
 gilkatgil 8/1/2012 9:49 PM #rwworkshop
 @mardieteach @jennann516 @rscalateach @mindi_r Use notebooks with three hole
 ScottMiddlemiss 8/1/2012 9:49 PM punch. draft notebook. Fits right in WW binder. #rwworkshop
 @teachandgolf helpful - but very academic - must really "dig deep" to see
 rscalateach 8/1/2012 9:49 PM implications for instruction #rwworkshop
 @teachandgolf #rwworkshop I'm biased. I think Ellin is brilliant, and I've bought
 mindi_r 8/1/2012 9:48 PM everything she's written.
 Are there any final questions or thoughts as the chat gets closer to the end?
 kelleemoye 8/1/2012 9:48 PM #rwworkshop
 @mindi_r i think manila folder is for yellow legal pad not WNB - i also don't like spirals
 rscalateach 8/1/2012 9:48 PM #rwworkshop
 #rwworkshop We're coming up on the last 10 minutes of chat? What else is on your
 mindi_r 8/1/2012 9:48 PM mind?
 @mindi_r Oh, I meant manila envelope! Oops! The kind that have a brad closure at
 jennann516 8/1/2012 9:48 PM the top. #rwworkshop
 @gilkatgil I just bought that one! Haven't read it yet! Anyone else here recommend
 utalaniz 8/1/2012 9:48 PM it? #rwworkshop
 Anyone ever read Mosaic of Thought? Is it worth the purchase? Helpful and if so in
 teachandgolf 8/1/2012 9:48 PM what way? #rwworkshop

@jennann516 #rwworkshop That's a good idea! I used composition notebooks (hate
 mindi_r 8/1/2012 9:47 PM spirals), so MF wouldn't fit, but still good idea!

@jennann516 @rscalateach @mindi_r Good idea! I always ask Ss 2 draft in the
 mardieteach 8/1/2012 9:47 PM notebook bc they lose drafts. Good fix 4 that! #rwworkshop

@utalaniz @katsok @mindi_r @kelleemoye Also launch units in Calkins UOS and new
 ScottMiddlemiss 8/1/2012 9:46 PM Curricular Plans for both RW and WW #rwworkshop

@gilkatgil My school has a TON for a project last year. I'll put them to good use :)
 jennann516 8/1/2012 9:46 PM #rwworkshop

@jennann516 I have my students write drafts on loose paper (or they write them in
 utalaniz 8/1/2012 9:46 PM Word. We keep them in a specific folder, too. #rwworkshop

@jennann516 love that pocket idea for drafts #rwworkshop
 rscalateach 8/1/2012 9:46 PM

@jennann516 I used to have a hanging folder for each student in a file where they
 kelleemoye 8/1/2012 9:46 PM kept everything. #rwworkshop

@jennann516 that's a good idea. I may steal it! #rwworkshop
 gilkatgil 8/1/2012 9:46 PM

@gilkatgil I was thinking about just using symbols next year. Or certain colors to mean
 kelleemoye 8/1/2012 9:46 PM different things. #rwworkshop

@gilkatgil I have the book, but haven't looked at it yet. It'll be part of my 20-day plan-
 jennann516 8/1/2012 9:46 PM a-thon :) #rwworkshop

@rscalateach @mindi_r That's what I'm planning on doing. I'm thinking of gluing a
 jennann516 8/1/2012 9:45 PM manila folder inside back to hold drafts. #rwworkshop

@kelleemoye Get the lined ones. Worth the insane \$ they cost. #rwworkshop
 gilkatgil 8/1/2012 9:45 PM

Has anyone used Ralph Fletcher's Mentor Texts? I keep wondering if it's too
 gilkatgil 8/1/2012 9:44 PM "packaged," but I feel panicky this year. #rwworkshop

@jennann516 drafting outside the notebook - legal pads work well #rwworkshop
 rscalateach 8/1/2012 9:44 PM

@jennann516 #rwworkshop I had drafting outside of NB, because I wanted students
 mindi_r 8/1/2012 9:44 PM to turn in drafts with finished work. Planning in NB.

@teachandgolf Mini-Lessons for Literature Circles has great ideas for teaching
 payanar 8/1/2012 9:44 PM discussions/not just lit circles #rwworkshop

@gilkatgil I have never used post its- I am going to try for the first time this year.
 kelleemoye 8/1/2012 9:43 PM #rwworkshop

@katsok No assessments, no GR groups those first few weeks. Set up routines. Sit w
 ScottMiddlemiss 8/1/2012 9:43 PM stdts; learn abt them as rdrs and wrtrs #rwworkshop

@kbport714 #rwworkshop I forget about Ralph b/c by the time I found his books, I
 mindi_r 8/1/2012 9:43 PM was more advanced, if that makes sense.

For those that do Writing Workshop: How do your students work on/organize drafts?
 jennann516 8/1/2012 9:43 PM In NB or outside of it? #rwworkshop

Book recommendations- Students choose new books in the library during morning
 rscalateach 8/1/2012 9:43 PM meeting - give recommendations to eachother #rwworkshop

@mindir #rwworkshop Ralph Fletcher has a lot of good bks for WW.
 kbport714 8/1/2012 9:43 PM

@rscalateach Yes. I'm a post-it addict. Others are inferior in their stickiness. I have
 gilkatgil 8/1/2012 9:43 PM quite a dependence issue... #rwworkshop

@mindir #rwworkshop That is a great book!
 kbport714 8/1/2012 9:42 PM

Reading log could include: Rate, tone, genre, and pages read, total of minute, date
 rscalateach 8/1/2012 9:42 PM started, date finished or decided to stop. #rwworkshop

Reading logs – during independent reading. Record what they read and how much
 rscalateach 8/1/2012 9:42 PM they read. #rwworkshop

#rwworkshop Here's the link to the pink book from Scholastic: <http://t.co/4HyPltwd>
 mindi_r 8/1/2012 9:41 PM

Use of writing and reading sticky notes, holding onto ideas #rwworkshop
 rscalateach 8/1/2012 9:41 PM

RT @kelleemoye: @jennann516 You definitely have to work on teaching students to
 teachandgolf 8/1/2012 9:41 PM talk about books. Yes-using text to back up thts #rwworkshop

rscalateach	8/1/2012	9:40 PM	30 min reading while teacher is conferring #rwworkshop
mind_i_r	8/1/2012	9:40 PM	#rwworkshop Another great book on structures/routines is That Workshop Book by Sam Bennett. Also Katie Ray's Writing Workshop.
utalaniz	8/1/2012	9:40 PM	@katsok @mind_i_r @kelleemoye I use this! Didn't know if y'all used something else! I've seen so many sources listed here. #rwworkshop
gilkatgil	8/1/2012	9:40 PM	I always struggle with managing feedback. How do others confer often enough and deeply enough to make difference? #rwworkshop
rscalateach	8/1/2012	9:40 PM	Focus on the connection between fluency and comprehension #rwworkshop
kelleemoye	8/1/2012	9:40 PM	@teachandgolf I know! I wanted to be her. #rwworkshop
teachandgolf	8/1/2012	9:39 PM	@mind_i_r @kelleemoye I've read The Reading Zone and tried to be like Atwell too and use her ideas of rdg workshop-great book too #rwworkshop
rscalateach	8/1/2012	9:39 PM	Assessments-make sure children can read books, independently #rwworkshop
mardieteach	8/1/2012	9:39 PM	Want to use some of the ideas from Academic Conversations by Zweir this year. Teach Ss how to ?, ask 4 elaboration #rwworkshop
utalaniz	8/1/2012	9:39 PM	@gilkatgil I know you'll figure it out & because you're a reader, you'll make it work! The rest of my team seems to like it. #rwworkshop
mind_i_r	8/1/2012	9:39 PM	@katsok #rwworkshop I'll find it.
davestuartjr	8/1/2012	9:39 PM	@payanar Word. Super rewarding, super imperative. #rwworkshop
payanar	8/1/2012	9:39 PM	Yes, great resource! RT @rscalateach: -20 min read-aloud and have an accountability talk #rwworkshop
jennann516	8/1/2012	9:39 PM	@teachandgolf @rscalateach ...Then we can discuss as class before going into day. #rwworkshop (2)
kelleemoye	8/1/2012	9:39 PM	@jennann516 OH! And I didn't realize how much modeling was important.
rscalateach	8/1/2012	9:39 PM	#rwworkshop
rscalateach	8/1/2012	9:39 PM	Students are accountable to text and conversation #rwworkshop

katsok 8/1/2012 9:38 PM @mindi_r Let me know if you think of the title later. :) #rwworkshop

teachandgolf 8/1/2012 9:38 PM @kelleemoye Haha! I've tried to model after her as best I can. Have asked her MANY, MANY questions. @donalynbooks She's a gem. #rwworkshop

mindi_r 8/1/2012 9:38 PM @teachandgolf #rwworkshop I also alternated poetry circle with read aloud. Poetry 2 days/RA 3.

jennann516 8/1/2012 9:38 PM @teachandgolf @rscalateach Haven't done it b4. Thoughts: show on Elmo and class reads indep when regather after indep rdng #rwworkshop. (1)

rscalateach 8/1/2012 9:38 PM -20 min read-aloud and have an accountability talk #rwworkshop

katsok 8/1/2012 9:38 PM @jennann516 Yep, their giant book, Guiding Readers & Writers, has their first 20 days outlined. I don't use it all but helpful. #rwworkshop

payanar 8/1/2012 9:38 PM @davestuartjr Not only possible but imperative and rewarding when there is success. #rwworkshop

mindi_r 8/1/2012 9:38 PM @teachandgolf #rwworkshop I started out with Naming the World by Nancie Atwell... 180 days of poems. Great for MS.

rscalateach 8/1/2012 9:38 PM 45-50 min block of workshop #rwworkshop

rscalateach 8/1/2012 9:37 PM stronger teaching around routines - pointers #rwworkshop

kelleemoye 8/1/2012 9:37 PM @jennann516 You definitely have to work on teaching students to talk about books. Lots reading and thinking aloud. #rwworkshop

payanar 8/1/2012 9:37 PM Agreed! RT @gilkatgil: @mindi_r @kelleemoye I think you have to build your own school to have it be Atwell-perfect! #rwworkshop

jennann516 8/1/2012 9:37 PM @katsok Do you have a resource for how they set up their first 20 days? #rwworkshop

mindi_r 8/1/2012 9:37 PM @katsok #rwworkshop There's also a great little book from Scholastic. It's pink, and I don't see it on my shelf for title. #bummer

teachandgolf 8/1/2012 9:37 PM @jennann516: @rscalateach Would love to do a daily poem too! Ugh! So much-so little time. How do y'all do the daily poem? #rwworkshop

davestuartjr	8/1/2012	9:37 PM	@rscalateach @kelleemoye and we need to show sts how to enjoy the richness/challenge of a shared complex text -- it's possible! #rwworkshop
ScottMiddlemiss	8/1/2012	9:37 PM	Most teachers use a WW binder system. Different sections: Guidelines, Helpful Hints, Drafts, writers' ntbk, etc. #rwworkshop
mindir	8/1/2012	9:36 PM	@payanar #rwworkshop GLad to know I'm not the only one!
gilkatgil	8/1/2012	9:36 PM	@mindir @kelleemoye I think you have to build your own school to have it be Atwell-perfect! #rwworkshop
katsok	8/1/2012	9:36 PM	@mindir @kelleemoye I love how Fountas & Pinnell have the first 20 days set up in their Guiding Readers & Writers book. #rwworkshop
kelleemoye	8/1/2012	9:36 PM	@mindir I thought I could just be like @donalynbooks right away. #rwworkshop Janet Angelillo has great book called Whole Class Teaching - Chapter 4 - Routines, Independence, Performance #rwworkshop
rscalateach	8/1/2012	9:36 PM	@mindir I did that too! Figured out that I am not Nancie and need my own style...
payanar	8/1/2012	9:36 PM	#rwworkshop
teachandgolf	8/1/2012	9:36 PM	@jennann516 I'll have to check it out later in archives. :) Too fast! I have a book by Amy too, but can't remember which one. #rwworkshop
mindir	8/1/2012	9:36 PM	@rscalateach #rwworkshop I always imbedded my rituals/routines into the content of first genre study. 2 birds/one stone
jennann516	8/1/2012	9:35 PM	Could veterans give us pointers for most imp. routines/rituals to set up? @mindir @kelleemoye #rwworkshop
teachandgolf	8/1/2012	9:35 PM	@mindir I spend the first couple of weeks after kids select books just reading aloud, talking/enjoying and meeting with ea kid #rwworkshop
mindir	8/1/2012	9:35 PM	@kelleemoye #rwworkshop I thought I could read In The Middle and my workshop would be as perfect as Nancie's! #soveryverywrong

jennann516 8/1/2012 9:34 PM @rscalateach Yes, love that idea. Thought about using daily poem as transition from indep rdng -> whole class. #rwworkshop
 kelleemoye 8/1/2012 9:34 PM @mindi_r I didn't at first. I tried to rush. But it is something that you have to take slowly. #rwworkshop
 rscalateach 8/1/2012 9:34 PM @kelleemoye agreed, but i think that we need to embed these teaching inside of bigger ideas - especially with CCSS #rwworkshop
 teachandgolf 8/1/2012 9:34 PM Routines: read aloud, ind. rdg, conferring, posting on graffiti wall, sharing thinking about books vs. just "it's good" #rwworkshop
 mardieteach 8/1/2012 9:33 PM @ScottMiddlemiss Thank you. #rwworkshop #Iloveyourjob
 gilkatgil 8/1/2012 9:33 PM @utalaniz I don't know how to make it work, this is 1st year I'm doing it all myself and I feel it's dev. inappropriate #rwworkshop
 mindi_r 8/1/2012 9:33 PM @kelleemoye #rwworkshop Sometimes teachers who are just starting wkshp don't understand the importance of first 20 days or so.
 jennann516 8/1/2012 9:33 PM @teachandgolf Did you see @mslcblevins tweet about her NB? Also Notebook Know-How book has helped me. #rwworkshop
 mardieteach 8/1/2012 9:33 PM I always have 1 writing notebook for both quickwrites & longer projects. 2 rdng notebooks-1 response journal,1 folder 4 all else #rwworkshop
 kelleemoye 8/1/2012 9:33 PM @mindi_r And need to teach students how to choose, enjoy and talk about books. #rwworkshop
 rscalateach 8/1/2012 9:32 PM i love the idea of poetry 180 - start each day with poetry
 kelleemoye 8/1/2012 9:32 PM @mindi_r I think the first month is all about rituals and routines. It is so important to start on the right foot. #rwworkshop
 gilkatgil 8/1/2012 9:32 PM One ritual I'd like to institute is to open class with 10 minutes of writing (writing into the day/class) but I'm not sure... #rwworkshop
 ScottMiddlemiss 8/1/2012 9:32 PM @mardieteach Love this. Touches on importance of responding to literature in writing and also conversation. Accountable talk! #rwworkshop

utalaniz 8/1/2012 9:31 PM @gilkatgil Wow! That's impressive! Yes, I'm the only one in my team that's self-contained. But I do #rwworkshop!

gilkatgil 8/1/2012 9:31 PM @jennann516 I love this idea. I've done titles before but lines of text will add interest! #rwworkshop

mslcblevins 8/1/2012 9:31 PM Routines - 20 min of Ind reading / day, a daily rotating "reading minute" and some sort of "open mic Friday" too. Not sure. #rwworkshop

kelleemoye 8/1/2012 9:31 PM @teachandgolf I think everyone just tweaks their notebook each year to make it better. #rwworkshop

rscalateach 8/1/2012 9:30 PM @teachandgolf we should form a little think tank on these - draft some ideas #rwworkshop

davestuartjr 8/1/2012 9:30 PM @mindi_r One ritual will be responding to the spoken contributions of others before sharing a new thought. #CCSS Spkg/Lstng #rwworkshop

gilkatgil 8/1/2012 9:30 PM @utalaniz I wish I were self-contained. I will teach all ELA - read/write - for nearly 100 5th graders in a middle school. #rwworkshop

kelleemoye 8/1/2012 9:30 PM @mindi_r I am going to use a similar approach- ML, indep. reading/confer/share, rotations (small grp, computers, indep. work) #rwworkshop

katsok 8/1/2012 9:30 PM @mindi_r Just purchased. Thanks! #rwworkshop

teachandgolf 8/1/2012 9:30 PM @jennann516 Is there somewhere where the layout of this notebook is explained? #rwworkshop

jennann516 8/1/2012 9:30 PM Rituals/routines: Minor thing, but I'm wanting to incorporate "Graffiti Wall" more with great lines from texts. #rwworkshop

rscalateach 8/1/2012 9:30 PM @mindi_r transitions, materials, what to bring, lateness, bathroom breaks, work rules, what to do when finished, time #rwworkshop

teachandgolf 8/1/2012 9:29 PM Me too--admin wants for CC align RT @kelleemoye: @rscalateach I need to make all new rubrics. Im going to work on it this year. #rwworkshop

katsok 8/1/2012 9:29 PM @mindi_r I always begin with just teaching the format of a workshop. Not all the classes below me teach in that structure. #rwworkshop

utalaniz 8/1/2012 9:29 PM @gilkatgil Good to know I'm not the only elem. person here. I'm self-contained which means I teach everything except specials. #rwworkshop

mindi_r 8/1/2012 9:29 PM @katsok #rwworkshop Look up Teaching For Deep Comprehension and Interventions That Work (ignore the k-3 on the cover, there's stuff for us

kelleemoye 8/1/2012 9:28 PM @jennann516 I definitely need to tweak my notebook this year. Mostly because I am adding the analysis as well as reflections. #rwworkshop

mslcblevins 8/1/2012 9:28 PM @kelleemoye I only have students for a semester, so there's plenty of room for everything in one place. #rwworkshop

teachandgolf 8/1/2012 9:28 PM @kelleemoye I like the idea of ML notebook. I need to do this. #rwworkshop

ScottMiddlemiss 8/1/2012 9:28 PM @thereadingzone No.Sounds interesting. As elem person, interested to see what that would look like. Sounds like good resource. #rwworkshop

katsok 8/1/2012 9:28 PM @mindi_r @teachandgolf Just seeing it is #rwworkshop night! This is what I need to work on too - intervention. Will look up Dorn.

mindi_r 8/1/2012 9:28 PM #rwworkshop What kinds of rituals and routines will you be teaching your students as you build your learning community/workshop?

payanar 8/1/2012 9:28 PM @kelleemoye I am thinking about using interactive notebook to organize the class notes and responses so they are in same place #rwworkshop

jennann516 8/1/2012 9:27 PM My NBs will look similar to @mslcblevins. Want to have table of contents in front. Won't number every page, just each entry. #rwworkshop

kelleemoye 8/1/2012 9:27 PM @rscalateach I need to make all new rubrics. I'm going to work on it this year. #rwworkshop

rscalateach	8/1/2012	9:27 PM	@teachandgolf i have conversation rubric - but need to tweak to align with CCSS #rwworkshop
mardieteach	8/1/2012	9:26 PM	@teachandgolf @mindi_r I use my anecdotal-record one need - make group- do guided writing lesson on that 1 thing. #rwworkshop
kelleemoye	8/1/2012	9:26 PM	@rscalateach Brought it home this summer to read- will push it up the list. #rwworkshop
kelleemoye	8/1/2012	9:26 PM	@mslcblevins I've always had my minilesson notes in a separate notebook (a class notebook), like the idea of it being in RdgNB. #rwworkshop

kelleemoye	8/1/2012	9:25 PM	@teachandgolf @mindi_r Intervention groups is one of my rotations. #rwworkshop
teachandgolf	8/1/2012	9:25 PM	@rscalateach Do you have an example or one created to share?? Sounds super! #rwworkshop
rscalateach	8/1/2012	9:25 PM	has anyone read Year of the book by Andrea Cheng - awesome for 4th - Up for Launching Reading Workshop #rwworkshop
kelleemoye	8/1/2012	9:25 PM	@mardieteach Thank you! Great post. Pinned it ;) #rwworkshop
ScottMiddlemiss	8/1/2012	9:25 PM	Our teachers working to create unit trajectories and accompanying focus LPs do they can start yr ready to go. Common language! #rwworkshop
mindi_r	8/1/2012	9:25 PM	@teachandgolf #rwworkshop We use Linda Dorn's model. It's basically a workshop structure: ML, independent read/confer/share
gilkatgil	8/1/2012	9:24 PM	@kelleemoye thanks! #rwworkshop
teachandgolf	8/1/2012	9:24 PM	@mindi_r That's one thing I need to work on too-intervention groups. What does your "routine" look like w/these? #rwworkshop
kelleemoye	8/1/2012	9:23 PM	RT @mardieteach: @kelleemoye @gilkatgil I wrote a blogpost on 'lifting text' or responding to quotes #rwworkshop http://t.co/v9r0C4qD ...

@rscalateach #rwworkshop Probably the mailing label method. Put kids' names on
 mindi_r 8/1/2012 9:23 PM labels. Can tell who I've talked to or not. Transfer to NB
 @kelleemoye @gilkatgil I wrote a blogpost on 'lifting text' or responding to quotes

 mslcblevins 8/1/2012 9:23 PM and then mini lessons, foldables etc. #rwworkshop
 Love this re: conferences!! RT @ScottMiddlemiss: Compliment, investigate, provide
 kelleemoye 8/1/2012 9:23 PM one main teaching point, and get out! #rwworkshop
 I'd love links to record keeping, other management tools. Overwhelmed thinking
 gilkatgil 8/1/2012 9:22 PM about 100 kids, classes of 100 minutes. #anxious #rwworkshop
 @SheskeyS I was planning to use Evernote for portfolios this year may think about
 payanar 8/1/2012 9:22 PM using it as notebooks now #rwworkshop
 @teachandgolf Sure! At the end of indep rdng I get title/page# each day.
 jennann516 8/1/2012 9:22 PM #rwworkshop
 @kelleemoye Compliment, investigate, provide one main teaching point, and get out!
 ScottMiddlemiss 8/1/2012 9:22 PM #rwworkshop
 @kelleemoye I have a hard time grading participation..any ideas here would help!
 teachandgolf 8/1/2012 9:22 PM #rwworkshop
 #rwworkshop In my intervention groups this year, I'll take conference notes on
 mindi_r 8/1/2012 9:21 PM mailing labels, then stick into notebook. 1pg/student.
 @ScottMiddlemiss Definitely! Very important, but also the hardest thing.
 kelleemoye 8/1/2012 9:21 PM #rwworkshop
 rscalateach 8/1/2012 9:21 PM @mindi_r ME TOO! which did you like best? #rwworkshop
 kelleemoye 8/1/2012 9:21 PM @davestuartjr I still need to investigate Evernote. #rwworkshop
 @jennann516 Anything you can send me if I DM you my email for an example? How
 teachandgolf 8/1/2012 9:21 PM often do you do status? I was thinking 2x/wk #rwworkshop

@rscalateach Just found out about it myself. You are able to creat separate
 SheskeyS 8/1/2012 9:21 PM notebooks for students. #rwworkshop
 kelleemoye 8/1/2012 9:21 PM @teachandgolf Yes. With good feedback. #rwworkshop
 @kelleemoye Conferring = best type of formative assessment. Have to be efficient
 ScottMiddlemiss 8/1/2012 9:20 PM with conferences. #rwworkshop
 kelleemoye 8/1/2012 9:20 PM @gilkatgil Yep! Very doable. #rwworkshop
 @teachandgolf Definitely!! I plan on doing more analysis this year, but don't want to
 kelleemoye 8/1/2012 9:20 PM let go of reflections. #rwworkshop

 @teachandgolf #rwworkshop I've tried at least 10 different ways of keeping records.
 mindi_r 8/1/2012 9:20 PM Don't love any of them. Try & try again!

 @SheskeyS Interesting idea. I've just started using Evernote this summer. Hadn't
 davestuartjr 8/1/2012 9:20 PM thought of classroom applications. Seems doable #rwworkshop

 rscalateach 8/1/2012 9:20 PM a good goal to memorize anchor standards 1-10 - I'm not there yet #rwworkshop
 @thereadingzone No, but that sounds like it would be helpful! I need to check that
 jennann516 8/1/2012 9:20 PM out! #rwworkshop

 Question 2 (though we already began talking about it): How do you plan on setting up
 kelleemoye 8/1/2012 9:20 PM your notebook(s) for workshop? #rwworkshop
 @kelleemoye Kellee, will you grade this as a "done/not done" type of thing?
 teachandgolf 8/1/2012 9:20 PM #rwworkshop
 @kelleemoye Oh, that's doable and something I've done in past with less glamorous
 gilkatgil 8/1/2012 9:19 PM name! #rwworkshop

 @teachandgolf Ohhh, google it and you will want one immediately! They had a special
 jennann516 8/1/2012 9:19 PM deal at Christmas so Santa brought me one :) #rwworkshop

 @jennann516 @teachandgolf I have many different excel spreadsheets. Status of
 kelleemoye 8/1/2012 9:19 PM reading, participation, etc. #rwworkshop
 teachandgolf 8/1/2012 9:19 PM @kelleemoye Which definitely hits CCSS #1 :) #rwworkshop
 @teachandgolf #rwworkshop More like clear explanation of the standards and what
 mindi_r 8/1/2012 9:19 PM they REALLY say (and don't say).

teachandgolf 8/1/2012 9:19 PM @jennann516 Oh! I might have to investigate that. I'm not sure what that does. #rwworkshop
 rscalateach 8/1/2012 9:18 PM @teachandgolf I know....not sure what recordkeeping form will look like this year - each year is different #rwworkshop
 kelleemoye 8/1/2012 9:18 PM @ScottMiddlemiss Yes! And evidence based talk and writing. #rwworkshop
 davestuartjr 8/1/2012 9:18 PM @thereadingzone Haven't read it but would like to check it out. #rwworkshop
 jennann516 8/1/2012 9:18 PM @teachandgolf For status of class I have an Excel chart I use for status/attendance/participation. #rwworkshop
 davestuartjr 8/1/2012 9:18 PM @gilkatgil Dude... schizo leadership is not good. #rwworkshop
 mindi_r 8/1/2012 9:18 PM @teachandgolf #rwworkshop Her new book Talk About Understanding is all about the effect of classroom talk on comprehension
 mardieteach 8/1/2012 9:18 PM @kelleemoye @gilkatgil I've been doing that & find that Ss respond w greater depth 2 a quote. I teach Ss 2 find their own quotes #rwworkshop
 kelleemoye 8/1/2012 9:18 PM @gilkatgil Double columned. Quotes on left, thoughts on right. #rwworkshop
 thereadingzone 8/1/2012 9:18 PM Has anyone read
 kelleemoye 8/1/2012 9:17 PM @gilkatgil Doesn't have to be. Students find quotes and then write what they think of them. Thoughts with text evidence. #rwworkshop
 jennann516 8/1/2012 9:17 PM @teachandgolf I use my Livescribe pen I got for Christmas! The kids love being recorded (they pretend they don't, lol) #rwworkshop
 teachandgolf 8/1/2012 9:17 PM @mindi_r That would have been awesome to hear. Does she have anything out on this to read up on for those who couldn't be there? #rwworkshop
 rscalateach 8/1/2012 9:17 PM @SheskeyS how does evernote work? #rwworkshop
 ScottMiddlemiss 8/1/2012 9:17 PM @kelleemoye One area we plan to expand upon K-5 is use of accountable talk. Need to be talking about good reading and writing! #rwworkshop

@jennann516 Agreed. I can only do 1 thing at a time, and usually not that well!
 gilkatgil 8/1/2012 9:17 PM #rwworkshop
 @rscalateach @mindi_r a CCSS training I went to says less I do and get into the We do
 kelleemoye 8/1/2012 9:17 PM and You do. #rwworkshop
 How about records for conferring-and status of class-what do y'all do there?
 teachandgolf 8/1/2012 9:17 PM #rwworkshop
 @kelleemoye I have no idea what quotation analysis is - sounds beyond 5th grade?
 gilkatgil 8/1/2012 9:17 PM #rwworkshop
 @kelleemoye #rwworkshop Power of purposeful talk was the hallmark of my PD
 mindi_r 8/1/2012 9:17 PM today with Ellin Keene. SO important
 SheskeyS 8/1/2012 9:17 PM Anyone try using an app like Evernote for their reader's notebooks? #rwworkshop
 rscalateach 8/1/2012 9:16 PM @mindi_r it all lies in the coaching - guided practice is key #rwworkshop
 @jennann516 I don't know how I'll pair students yet. Going to try different ways.
 kelleemoye 8/1/2012 9:16 PM #rwworkshop
 @gilkatgil I don't like writing like that personally, but I'll introduce it as a method for
 jennann516 8/1/2012 9:16 PM students in case it clicks for them! #rwworkshop
 teachandgolf Pathways really for schoolwide PD for better understanding of standards
 rscalateach 8/1/2012 9:15 PM and implications for instruction #rwworkshop
 @rscalateach #rwworkshop If you think "I do, We do, You do," we're light on the "we
 mindi_r 8/1/2012 9:15 PM do", if you see what I mean.
 @gilkatgil I am going to try quotation analysis in my NB this year with my students
 kelleemoye 8/1/2012 9:15 PM since that is what my HS uses. #rwworkshop
 @rscalateach #rwworkshop We're finding w/our classes that we're releasing to
 mindi_r 8/1/2012 9:15 PM indep. too soon, not enuf group/guided practice.
 jennann516 8/1/2012 9:15 PM For those having students conference, how will you pair students? #rwworkshop
 rscalateach 8/1/2012 9:14 PM agreed that those things can be achieved through wkshp #rwworkshop

teachandgolf 8/1/2012 9:14 PM @mindi_r What's Pathways to CC really like? Lesson ideas? Explains them? #rwworkshop

rscalateach 8/1/2012 9:14 PM @mindi_r i always find when I release the scaffolding some of the teaching isn't sticking - can be frustrating - what didnt I do #rwworkshop

gilkatgil 8/1/2012 9:14 PM What about double-sided NB? One side for student reflection and the other for responses to prompts? Anyone still use those? #rwworkshop

kelleemoye 8/1/2012 9:14 PM MT @rscalateach: 3-2-1 wkshp structure: after the mini-meet one small group, one partnership,one conference 6 kids #rwworkshop

teachandgolf 8/1/2012 9:13 PM @payanar I'm up north-a little town near Eau Claire/Menomonie. Cool! I know..and to teach now with everything that has gone on. #rwworkshop

kelleemoye 8/1/2012 9:13 PM Been reading Lucy Calkin's curricular plans and student conferencing with each other should be a big part of workshop. #rwworkshop

payanar 8/1/2012 9:13 PM @kelleemoye Right, but I will try to have the groups set some of their own reading goals also and have them run discussions #rwworkshop

gilkatgil 8/1/2012 9:13 PM @davestuartjr It's a bit schizophrenic right now - lip service to progressive ideas but no support when it's needed. #rwworkshop

teachandgolf 8/1/2012 9:12 PM @kelleemoye Yes!! I want kids to have partnerships too, and share their reading like real friends do! #rwworkshop

mindi_r 8/1/2012 9:12 PM @rscalateach #rwworkshop True, but those things can be accomplished through the structure of workshop. Some on-demand thru grad. release

rscalateach 8/1/2012 9:12 PM a great way to think about wkshp structure is 3-2-1, after the mini-meet one small group, one partnership,one conference 6 kids #rwworkshop

teachandgolf 8/1/2012 9:12 PM @jennann516 I'm using Thinking Through Genre for several things this year. Awesome book! #rwworkshop

kelleemoye 8/1/2012 9:12 PM Another thing I have a goal for is to try and allow more talk between students about what they read. #rwworkshop
 jennann516 8/1/2012 9:12 PM @mindi_r Exactly my thinking. Thought I wanted 1 with both rdng&wrtg at first. #rwworkshop
 davestuartjr 8/1/2012 9:12 PM @mindi_r @rscalateach #CCSS wants every kid rdg grade-level complex texts, not only texts they have ability for. Thoughts? #rwworkshop
 gilkatgil 8/1/2012 9:11 PM @mindi_r I have a copy of the Calkins book. It's our PD study group book for the year. Glad to hear it will support the cause! #rwworkshop
 kelleemoye 8/1/2012 9:11 PM @payanar I'll have all struggling readers, so they'll need guidance. It is important to guide them before you set them free. #rwworkshop
 rscalateach 8/1/2012 9:11 PM @mindi_r true - but not just about text complexity - more independence through on- demands - expectations for kids to transfer #rwworkshop
 payanar 8/1/2012 9:11 PM @teachandgolf I teach in Milwaukee (MPS) so have a lot of mandated structures. Where are you? #rwworkshop
 mindi_r 8/1/2012 9:11 PM @jennann516 #rwworkshop I've tried it both ways. I liked separate notebooks. Otherwise they fill up too fast.
 teachandgolf 8/1/2012 9:11 PM @jennann516 @kelleemoye I want to use Reader's Notebooks more, felt like kids didn't do a good job of keeping track last year! #rwworkshop
 kelleemoye 8/1/2012 9:11 PM @payanar So a read aloud with think alouds- that is what I was planning too. #rwworkshop
 rscalateach 8/1/2012 9:10 PM TCRWP is coming out with updated writing UOS for each grade in the upcoming year #rwworkshop
 mindi_r 8/1/2012 9:10 PM @mslcblevins #rwworkshop With 12 students, you could probably confer with them more than once / week. Have you read Conferring by P Allen
 jennann516 8/1/2012 9:10 PM I'm still planning to start each class with 10 min indp rdng. We have to have a class "warm up" in my building. #rwworkshop
 teachandgolf 8/1/2012 9:09 PM @payanar Another cheesehead!!! Where do you teach?? #rwworkshop

payanar 8/1/2012 9:09 PM I'm thinking of using a class novel to teach lit group routines and discussion strategies for first round #rwworkshop

mardieteach 8/1/2012 9:09 PM @jennann516 I've found this works well for me too, especially when doing a genre study. Independent rdng =everyday. #rwworkshop

mindi_r 8/1/2012 9:09 PM @rscalateach #rwworkshop That's the beauty of workshop. Can move students through more complex text at level they can read.

jennann516 8/1/2012 9:09 PM @mindi_r Yes, exactly! I have Thinking Through Genre & Strategies That Work to read next week. #rwworkshop

kelleemoye 8/1/2012 9:09 PM @mindi_r That is how I would set up ELA if I taught it. #rwworkshop

mindi_r 8/1/2012 9:09 PM @gilkatgil #rwworkshop Oops, meant provide ammo for you to present to admin.

davestuartjr 8/1/2012 9:08 PM @gilkatgil Where are they going in your school? It's frustrating to me when schools turn #CCSS into a torture device #rwworkshop

gilkatgil 8/1/2012 9:08 PM I was told I will have 96 5th graders for read/write workshop (but not really workshop model) for 100 minutes on alternate days. #rwworkshop

mindi_r 8/1/2012 9:08 PM @gilkatgil #rwworkshop Get ahold of Pathways to the Common Core, stat. Will make you feel better & provide ammo to admin.

mslcblevins 8/1/2012 9:08 PM @mindi_r I am not positive, but I am guessing no more than 12. #rwworkshop

teachandgolf 8/1/2012 9:08 PM @kelleemoye Yes. No class novels use read aloud as "shared reading" and model for discussing character, etc. Kids use own books. #rwworkshop

mardieteach 8/1/2012 9:08 PM I'm Mardie. I teach English, Math and Science to 7th graders in Ontario, Canada. #rwworkshop

mindi_r 8/1/2012 9:08 PM @jennann516 #rwworkshop You might consider genre studies... Reading phase then writing phase. Nice way to organize.

jennann516 8/1/2012 9:08 PM @kelleemoye I *think* I've decided (lol) to have a rdng NB and wrtg NB. I just bought a NB I'm going to play with structure. #rwworkshop

kelleemoye 8/1/2012 9:07 PM @mardieteach Yes. Rotation of centers. #rwworkshop
@jennann516 I like that Jen. I am looking forward to hear how that works.

kelleemoye 8/1/2012 9:07 PM #rwworkshop
@mindi_r true-but how will we lift the level of work in r/w workshop to help all

rscalateach 8/1/2012 9:07 PM students reach higher expectations of the CCSS #rwworkshop
@mindi_r I really hope so. I'm feeling discouraged by the way things are headed in my

gilkatgil 8/1/2012 9:07 PM school. #cccsfear

mindi_r 8/1/2012 9:07 PM @mslcblevins #rwworkshop Conferring with each student once a week is a great goal.
How many students will you have?
I'm Dave, 9th gr ELA & World History "humanities" mix. Rural HS in West Michigan.

davestuartjr 8/1/2012 9:07 PM #rwworkshop

mardieteach 8/1/2012 9:07 PM @kelleemoye Okay, like centers. #rwworkshop
@gilkatgil Wonder is a GREAT book. I use Freak the Mighty-love that book too.

teachandgolf 8/1/2012 9:07 PM #rwworkshop

jennann516 8/1/2012 9:07 PM This year I'm planning to rotate weeks of rdng and wrtg Feel like we never get
everything done bc I'm trying to do everything. #rwworkshop
I'm Andrea from WI--I teach 8th grade in a K-8 school. Will teach rdg and math to

payanar 8/1/2012 9:06 PM homeroom and 3 sections of ELA #rwworkshop
#rwworkshop I'm starting a new role in my school as Literacy Coach after 18 years as

mindi_r 8/1/2012 9:06 PM a 7th grade ELA teacher!
My goal is to conference with every student at least once a week. Is this typical?

mslcblevins 8/1/2012 9:06 PM #rwworkshop

I'm Jennifer. I'll be teaching 8th writing and 9th ELA in a suburb of Houston TX.

teachandgolf 8/1/2012 9:06 PM @jennann516 It's amazing how much I wish I had 90. I feel the kids don't have as
much time to Ind. read with only 42 minutes. #rwworkshop

mind_r	8/1/2012	9:06 PM	@gilkatgil #rwworkshop Can you use the class novel as a read loud/mentor text for minilessons then have kids do choice reading?
kelleemoye	8/1/2012	9:05 PM	@gilkatgil Wonder would be a great read aloud. I don't do "class novels" anymore, but read alouds are essential to workshop. #rwworkshop
kelleemoye	8/1/2012	9:05 PM	I am Kellee Moye and I teach middle school intensive reading. I don't know if I am teaching 45 or 90 minutes though I hope 90. #rwworkshop

teachandgolf	8/1/2012	9:05 PM	I'm Erin-6th grade-Reading only. A little town in WI. #rwworkshop
rscalateach	8/1/2012	9:04 PM	Greetings All - I am new to the twitterverse - I teach 4th and am literacy coordinator in NY #rwworkshop
gilkatgil	8/1/2012	9:04 PM	Hi there! I'm unsure how to start things out. I've been asked to do a class novel. May relent and use Wonder. #reallyfloundering #rwworkshop
mardieteach	8/1/2012	9:04 PM	Last year I started w/ independent rdng bc my students needed to wind down. Wld like to start w shared rdng and mini-lesson. #rwworkshop
kelleemoye	8/1/2012	9:04 PM	@mardieteach I'll have a small group rotation, an independent work rotation and a computer program rotation. #rwworkshop
jennann516	8/1/2012	9:04 PM	@teachandgolf I have 45 min classes this year, and it will be a big adjustment since I'm used to having 60! #rwworkshop
teachandgolf	8/1/2012	9:04 PM	Yes!! Me too! RT @kelleemoye: I want to get better at having independent reading not a rotation so I can do more conferencing. #rwworkshop
payanar	8/1/2012	9:03 PM	I start with writing territories from Nancie Atwell. It's a great way to get students thinking about their ideas #rwworkshop
kelleemoye	8/1/2012	9:03 PM	Oh, and please introduce yourself, what you teach and where :) #rwworkshop

rscalateach 8/1/2012 9:03 PM what's interesting to think about is how will CCSS change the ebb and flow of a month in a workshop #rwworkshop
 @jennann516 #rwworkshop Notebook Know-how was the basis for my writing
 mindi_r 8/1/2012 9:03 PM notebooks for the past 3 years. Great stuff!
 kelleemoye 8/1/2012 9:03 PM @jennann516 How are you going to set up your interactive notebook?
 I have 42 minutes of classes so I really want to try to get the kids reading at least 20
 teachandgolf 8/1/2012 9:03 PM minutes every day with a 10 min RA.
 Has anyone used this workshop resource? Have been debating on buying to use as a
 mslcblevins 8/1/2012 9:03 PM guide <http://t.co/IDFhr7lh> #rwworkshop
 mardieteach 8/1/2012 9:03 PM @kelleemoye What do you mean by 'rotations' kellee? #rwworkshop
 I want to get better at having independent reading not a rotation so I can do more

 #rwworkshop Hello, everyone! Sorry I'm a bit late. I was working on a grad school
 mindi_r 8/1/2012 9:02 PM paper!
 Well I finished Buckner's Notebook Know-How and will be using interactive NBs rather
 jennann516 8/1/2012 9:02 PM than 3-ring binder. #rwworkshop
 kelleemoye 8/1/2012 9:02 PM I, personally, am going to switch up things next year. I will have minilessons,
 independent reading and then rotations. #rwworkshop
 rscalateach 8/1/2012 9:01 PM I always start by thinking about the space - how does my environment support
 independence
