kelleemoye	1/4/2012	9:58 PM	@alybee930 @mind_i_r I need to get better at reading PB as a teacher. They are the ones I read the most as a reader. #rwworkshop
MaryBellavance	1/4/2012	9:58 PM	@sfwillclark Not at all. We keep adding new titles to the collection. Also, rereads can be so powerful. #rwworkshop
wclodfelter	1/4/2012	9:58 PM	@hale27storm @kelleemoye under the apps tab on your settings in @goodreads it says sync your kindle. Super easy to do! #rwworkshop

kelleemoye	1/4/2012	9:57 PM	@mindi_r Yes- lots of rereading specific passages. First as a reader then as a reviewer and teacher. #rwworkshop
hale27storm	1/4/2012	9:56 PM	@mindi_r @kelleemoye I feel like I'm always reading like a writer. To a point where I annoy myself #rwworkshop
bookyarncafe	1/4/2012	9:56 PM	@alybee930 @kelleemoye Ditto! re: your reviews! #rwworkshop
Jreaderwriter	1/4/2012	9:56 PM	Katie Wood Ray's Study Driven is a great prof. resource. Lots of ideas for mentor texts. #rwworkshop
mindi_r	1/4/2012	9:55 PM	@kelleemoye More and more I find myself reading things multiple times as I think about ways to use them in my classes. #rwworkshop
kelleemoye	1/4/2012	9:55 PM	@Jreaderwriter Oh yes- read Eat recently and loved how informative yet friendly it was. #rwworkshop
kelleemoye	1/4/2012	9:54 PM	@mindi_r Still something I struggle with often. There are so many different lenses that we read with. #rwworkshop
MaryBellavance	1/4/2012	9:54 PM	@sfallclark New at this! Did you see my post about school wide organizing? #rwworkshop
Jreaderwriter	1/4/2012	9:54 PM	RT @mindi_r: @kelleemoye It takes a conscious effort to read like that. Requires practice for sure! #rwworkshop
Jreaderwriter	1/4/2012	9:53 PM	Love Steve Jenkins as mentor author for nf. Used in 1st, 3rd, and 4th. Lots of things to notice. #rwworkshop

mindi_r	1/4/2012	9:53 PM	@kelleemoye It takes a conscious effort to read like that. Requires practice for sure! #rwworkshop
wclodfelter	1/4/2012	9:53 PM	@hale27storm to just share from your kindles, you just have to make them public and follow each other's kindle accounts. #rwworkshop
sfallclark	1/4/2012	9:52 PM	@kelleemoye @donalynbooks @TonyKeefer @frankisibberson Yes!!!! #rwworkshop

kelleemoye	1/4/2012	9:50 PM	@wclodfelter I love that feature of the Kindle! #rwworkshop
kelleemoye	1/4/2012	9:50 PM	@mindi_r I think we all do that as teachers. We read as readers instead of teachers. #rwworkshop
MaryBellavance	1/4/2012	9:50 PM	We have our mentor texts for rdg and writing organized by topic in baskets. Located in our prof. library. Staff sign them out. #rwworkshop
kelleemoye	1/4/2012	9:49 PM	@TonyKeefer Ha. Ha. ;) I did just figure out you could search for skills the other day, though. Pretty neat. #rwworkshop

mindi_r 1/4/2012 9:49 PM the hardest part for me is reading with my "writer's eye." Instead I get caught up in the story. Forget to mark great passages. #rwworkshop

wclodfelter 1/4/2012 9:48 PM @hale27storm do you have a kindle? The highlight/notes feature has been great for me to keep track. #rwworkshop

donalynbooks 1/4/2012 9:48 PM @TonyKeefer @frankisibberson Text sets? Yes, please. #rwworkshop

kelleemoye 1/4/2012 9:46 PM @hale27storm Good idea! Could have a reading and writing tab and then put in skills, page #s, etc. #rwworkshop

hale27storm 1/4/2012 9:46 PM @kelleemoye I'm on your site a lot! Promise! #rwworkshop trying to use books like Delirium for craft

kelleemoye 1/4/2012 9:45 PM @sfallclark Hm. I've never heard of any strategies- would love to hear any ideas you get. #rwworkshop

hale27storm 1/4/2012 9:45 PM @kelleemoye yes! Maybe I will start a google doc #rwworkshop

sfallclark 1/4/2012 9:44 PM Any ideas for how to organize mentor texts as a whole school?#rwworkshop

TonyKeefer 1/4/2012 9:43 PM @frankisibberson text sets? Will this be in your next book? #rwworkshop

kelleemoye 1/4/2012 9:43 PM @hale27storm (Not tooting I swear) You can always search a skill on my blog & it'll show you the mentor texts we've listed. #rwworkshop

kelleemoye 1/4/2012 9:42 PM @hale27storm I mark them, but I don't have a document where I've kept track. I need to make a spreadsheet. #rwworkshop

TonyKeefer 1/4/2012 9:41 PM @frankisibberson great science related website, explores why things happen Not all is great for elementary, but lots are #rwworkshop

mardieteach 1/4/2012 9:41 PM @hale27storm Me too. #rwworkshop

ohmandee 1/4/2012 9:40 PM @kelleemoye <3 <3 RT: There is a spreadsheet that @ohmandee started with picture books with minilessons <http://t.co/VHRed01a> #rwworkshop

frankisibberson 1/4/2012 9:39 PM @TonyKeefer what are the why files? #rwworkshop

TonyKeefer 1/4/2012 9:39 PM @bookyarncafe great point about rereading. That is an important concept to model #rwworkshop

bookyarncafe 1/4/2012 9:39 PM @TonyKeefer I did not know about whyfiles! Thanks for sharing. Just bookmarked. #rwworkshop

mariacaplin 1/4/2012 9:39 PM RT @TonyKeefer: For nf there are lots of great web resources too. Like wonderopolis And the why files are 2 of my faves #rwworkshop

hale27storm 1/4/2012 9:38 PM I need to do a better job at marking excerpts in novels to use as mentor texts. I can never find an example when I need it #rwworkshop

melissathomson	1/4/2012	9:38 PM	@Ann11reader3 I haven't used these as mentor texts, but some students are loving them as resources for informational writing #rwworkshop
Anastasiawords	1/4/2012	9:38 PM	@jennann516 #rwworkshop yeah, I find that tough too.
TonyKeefer	1/4/2012	9:38 PM	For nf there are lots of great web resources too. Like wonderopolis And the why files are 2 of my faves #rwworkshop
Ann11reader3	1/4/2012	9:37 PM	@kelleemoye We used Rags to Riches (about Dickens) with A Christmas Carol with 6th graders. #rwworkshop
mardieteach	1/4/2012	9:37 PM	@bookyarncafe I've used picture books for some things. Love using Chris Van Allsburg for writing mystery and inferring. #rwworkshop
bookyarncafe	1/4/2012	9:37 PM	@TonyKeefer We're starting to use same story multiple times. Students are not used to re-reading independently, so we model skill. #rwworkshop
kelleemoye	1/4/2012	9:37 PM	Blog is http://t.co/rBPOh5CG #rwworkshop
kelleemoye	1/4/2012	9:37 PM	And not to self-promote, but Jen @mentortexts and I blog and include information for teachers to use as mentor texts/minilessons #rwworkshop
hale27storm	1/4/2012	9:37 PM	@kelleemoye @wclodfelter Tupac's book, Decoded and Keesha's house all lived by reluctant readers #rwworkshop
kelleemoye	1/4/2012	9:36 PM	@Ann11reader3 Haven't used them, though I know students who have read and enjoyed them. #rwworkshop
frankisibberson	1/4/2012	9:36 PM	I try to pull sets of books that naturally build on each other when I am planning minilessons. Books that invite specific talk. #rwworkshop
bookyarncafe	1/4/2012	9:35 PM	@kelleemoye @mardieteach Agreed. With the PB talk, I had just been wondering what others were using. #rwworkshop
Anastasiawords	1/4/2012	9:34 PM	#rwworkshop I love Ralph Fletcher's new book of mentor texts.
bookyarncafe	1/4/2012	9:34 PM	@mardieteach I'm trying to work on "mixing it up" so I have a variety, including picture books. #rwworkshop
Ann11reader3	1/4/2012	9:34 PM	How about the nonfiction companion books with Magic Treehouse Series? #rwworkshop
kelleemoye	1/4/2012	9:33 PM	@mardieteach @bookyarncafe Sometimes PB are the best way to intro/reinforce sometimes novels or articles are a better choice... #rwworkshop
kelleemoye	1/4/2012	9:33 PM	@mardieteach @bookyarncafe I like to mix between all the different types of text. #rwworkshop
colbysharp	1/4/2012	9:32 PM	I'm listening in to #rwworkshop. Keep the good stuff coming:)
hale27storm	1/4/2012	9:32 PM	@kelleemoye @tonykeefer plus the students are already comfortable with text #rwworkshop I like it!
TonyKeefer	1/4/2012	9:32 PM	In our school we have worked to share different ways. We have learned that if kids know story well deeper thinking happens #rwworkshop

kelleemoye	1/4/2012	9:31 PM	@melissathomson @hale27storm I use Scholastic magazines often as well. #rwworkshop
kelleemoye	1/4/2012	9:31 PM	@TonyKeefer Taking one picture book and expanding on it really helps build a book community too. #rwworkshop
mardieteach	1/4/2012	9:31 PM	@bookyarncafe I like using similar texts to the ones they'll be using as well. Use novels, articles, nonfiction text #rwworkshop
melissathomson	1/4/2012	9:30 PM	@hale27storm I have a hard time choosing nonfic mentor texts, too. I use newsmagazines (TFK, Scholastic News) frequently #rwworkshop
TonyKeefer	1/4/2012	9:29 PM	@kelleemoye Brave Irene #1 was for writing descriptive lang, #2 was inferring, #3 today was vocabulary development #rwworkshop
jellyrace	1/4/2012	9:29 PM	@TonyKeefer How did you use it today?
wclodfelter	1/4/2012	9:28 PM	@kelleemoye will do! It's Tupac's poetry...kids love it #rwworkshop
kelleemoye	1/4/2012	9:28 PM	@Johnlit360 We use Journeys for our intensive reading program. We read every day and journal once a week as well. #rwworkshop
kelleemoye	1/4/2012	9:26 PM	@TonyKeefer Clarifying- same picture book for many lessons? #rwworkshop
TonyKeefer	1/4/2012	9:26 PM	Oops, realized I missed a word. Using same book for "multiple lessons" ex used Brave Irene for 3rd time this year today #rwworkshop
bookyarncafe	1/4/2012	9:26 PM	that they want us to demo w text similar to their choice novels (tough for them to understand/believe the connection at times) #rwworkshop
hale27storm	1/4/2012	9:26 PM	The other Side for symbolism #rwworkshop
jellyrace	1/4/2012	9:25 PM	Has anyone used the Who Was...? series
kelleemoye	1/4/2012	9:25 PM	@wclodfelter I don't know that one- you should add it to the spreadsheet: http://t.co/g5rMmWKq #rwworkshop
bookyarncafe	1/4/2012	9:25 PM	I know pic books are popular for mini-lessons, but recently getting feedback from stdts who have done #rwworkshop for several years...1/2
hale27storm	1/4/2012	9:24 PM	@melissathomson thank you for this! Need more nonfiction mentor texts #rwworkshop
kelleemoye	1/4/2012	9:24 PM	@Johnlit360 Have students read, reflect, journal using independent novels. Also do minilessons outside of program. #rwworkshop
wclodfelter	1/4/2012	9:24 PM	And just about anything by Chris Van Allsburg. Sweetest Fig and Wretched Stone are good for inferring. #rwworkshop
kelleemoye	1/4/2012	9:23 PM	@Johnlit360 We have to use a basal too since I am an intensive reading class; however, I mix in reading workshop with it. #rwworkshop
Anastasiawords	1/4/2012	9:22 PM	@FoodieBooklvr #rwworkshop yest. Was 1st day. Exhausted.
hale27storm	1/4/2012	9:22 PM	@melissathomson @mindi_r Same here. I feel like I spend so much time looking for resources. #rwworkshop

TonyKeefer	1/4/2012	9:21 PM	Hi all thought I'd stop by for a while #rwworkshop
kelleemoye	1/4/2012	9:19 PM	What are some mentor texts that you use for different minilessons? #rwworkshop
hale27storm	1/4/2012	9:19 PM	@mindi_r LOL. I loved that session. Tweaking their ideas #rwworkshop
melissathomson	1/4/2012	9:18 PM	@mindi_r Thinking Through Genre's on my wishlist. I have more minilesson resources for writing than reading, want to balance it #rwworkshop
kelleemoye	1/4/2012	9:18 PM	@wclodfelter That is hard to change. I still judge books by covers... #rwworkshop
kelleemoye	1/4/2012	9:18 PM	@mindi_r Oh my goodness!!! That is hilarious!!! (And I didn't know he had a session- bummer I missed it.) #rwworkshop
wclodfelter	1/4/2012	9:17 PM	@kelleemoye that's what I'm hoping! They're still so picky about the covers. I'm hoping to change that. #rwworkshop
mindi_r	1/4/2012	9:17 PM	I still can't believe my auto correct changed seymour simon to drunken simon while in his session at NCTE.
kelleemoye	1/4/2012	9:16 PM	@wclodfelter That would help with getting those books checked out too- brilliant. #rwworkshop
kelleemoye	1/4/2012	9:15 PM	@hale27storm I can imagine- he has many exemplar texts. Great for text features. #rwworkshop
wclodfelter	1/4/2012	9:14 PM	My plan for when we go back is to use excerpts from books kids haven't really been checking out from the class. lib. #rwworkshop
mindi_r	1/4/2012	9:14 PM	Some of my go-to resources for lesson ideas are Thinking Through Genre and Study Driven
hale27storm	1/4/2012	9:14 PM	@kelleemoye yes. Focusing on text structures and features, as well as craft. Loving them, but deciding which ones to buy is hard #rwworkshop
kelleemoye	1/4/2012	9:14 PM	@jellyrace Linda at http://t.co/49IIHTuY just blogged about Roxaboxen the other day too. #rwworkshop
kelleemoye	1/4/2012	9:12 PM	I'm on TweetChat and it seems to be okay. #rwworkshop
kelleemoye	1/4/2012	9:12 PM	@hale27storm Love his books! They are some of the best informational nonfiction books on science. Mostly his Smithsonian books. #rwworkshop
jellyrace	1/4/2012	9:12 PM	the other day someone tweeted about Roxaboxen. So I just picked it up from public library.
FoodieBooklvr	1/4/2012	9:11 PM	@kelleemoye @ohmandee Great resource! #rwworkshop
wclodfelter	1/4/2012	9:11 PM	@mindi_r Tweetcaster is having issues too. #rwworkshop
hale27storm	1/4/2012	9:11 PM	@mindi_r yes. I'm just on my feed. And it's slow #rwworkshop
mindi_r	1/4/2012	9:10 PM	tweetdeck seems to be broken, so I'm trying tweetchat, but nothing's coming thru. anyone else having trouble?
sfwillclark	1/4/2012	9:10 PM	Any great ideas for getting teachers to move beyond the 5 paragraph essay just to "pass the test"? #rwworkshop
kelleemoye	1/4/2012	9:07 PM	There is a spreadsheet that @ohmandee started with picture books with minilessons http://t.co/g5rMmWKq #rwworkshop

jellyrace	1/4/2012	9:06 PM	break was restful, but now I feel like i am back on the treadmill
