

username	date	time	status
jenniesmith	7/6/2011	10:03 PM	@kelleemoye Thanks for this ma'am!! Loved it! #rwworkshop Thanks for the chat tonight guys! See you next month :) Enjoy the rest of your summer!
kelleemoye	7/6/2011	10:02 PM	#rwworkshop @wclodfelter What grade do you teach? How do you do reading workshop in your
kelleemoye	7/6/2011	9:58 PM	classroom? #rwworkshop I started digging thru the rdg workshop units of study by Lucy Calkins - excellent! I'm
cb6luvs2read	7/6/2011	9:58 PM	rethinking some things #rwworkshop @wclodfelter isn't it awesome to have former kids come back and borrow books from
cb6luvs2read	7/6/2011	9:55 PM	u!? :) I luv that! #rwworkshop Great website to see a 3rd gr class in action with rdg workshop #rwworkshop
cb6luvs2read	7/6/2011	9:54 PM	http://t.co/wcSpObu RT @RdngTeach: Reading is not a choice in my room. It is just what we do. And I love
tscheeler	7/6/2011	9:53 PM	when my kids tell people that! #rwworkshop
kelleemoye	7/6/2011	9:52 PM	@RdngTeach Very creative- good job :) #rwworkshop @kelleemoye My int. rdg kids saw reading as evil too. #rwworkshop completely
wclodfelter	7/6/2011	9:50 PM	changed that in my class. Now I have a fmr students coming back @kelleemoye Depends on day/lesson. If lesson is connected to what they need to do as
RdngTeach	7/6/2011	9:49 PM	rdrs, doesn't it make sense to do b4 rdng? #rwworkshop
RdngTeach	7/6/2011	9:47 PM	@jenniesmith That would be cool, huh?! #rwworkshop @RdngTeach So reading AFTER minilesson? Response connected to minilesson?
kelleemoye	7/6/2011	9:47 PM	#rwworkshop Gotta run all! Hubby home after a week away . We've forgotten how to talk to each
RdngTeach	7/6/2011	9:47 PM	other:) Thanks for the chat! #rwworkshop @RdngTeach True! I have ALL the 8th graders in our school so to say our 8th grade read
jenniesmith	7/6/2011	9:47 PM	X amt of books would be cool! #rwworkshop
cb6luvs2read	7/6/2011	9:46 PM	@RdngTeach that is awesome! :) kudos to you and your kids! #rwworkshop @jenniesmith You could. But for my kids it was a real concrete symbol of "we ARE
RdngTeach	7/6/2011	9:46 PM	readers". #rwworkshop @RdngTeach excellent! I guess you could also make it a competition between classes!
jenniesmith	7/6/2011	9:45 PM	LOVE IT! Thanks :) #rwworkshop @cb6luvs2read After 20yrs of tchng,hard 2 come up w/new ideas.This was 1 of my best
RdngTeach	7/6/2011	9:45 PM	ever!Kids were SO excited abt team success! #rwworkshop
cb6luvs2read	7/6/2011	9:44 PM	@thereadingzone what's the other subject? #rwworkshop

@wclodfelter I love when kids argue over books! Best arguments to have :-)

RdngTeach 7/6/2011 9:43 PM #rwworkshop

cb6luvs2read 7/6/2011 9:43 PM @RdngTeach @kelleemoye I've always wanted to do that! :) it's a great visual 2 have in the rm! #rwworkshop

RdngTeach 7/6/2011 9:43 PM @jenniesmith Both indiv reads and whole class. Only book titles, no stdnt names. It's not abt the person who read the most. #rwworkshop

wclodfelter 7/6/2011 9:43 PM @RdngTeach I've had the same issue with my 9th graders. It gets to the point I have to break up arguments over books! #rwworkshop

RdngTeach 7/6/2011 9:42 PM @kelleemoye Me? 10 -15 min mini lesson, 15 min reading, 15 min response (writing, book talks, etc...) #rwworkshop

thereadingzone 7/6/2011 9:42 PM @cb6luvs2read Checking in for #rwworkshop chat! Hoping to do more workshop this upcoming year. Hard when you co-teach w/ another subj!

jenniesmith 7/6/2011 9:42 PM @RdngTeach back to the bookshelf... do they put books they have read individually up too or just the class reads? #rwworkshop

RdngTeach 7/6/2011 9:41 PM @kelleemoye I drew it:) Most artistic thing I've ever done! I made a template page and then copied on dif color paper. #rwworkshop

cb6luvs2read 7/6/2011 9:41 PM Signing in for the last 20 min of #rwworkshop chat! Phew

kelleemoye 7/6/2011 9:40 PM @RdngTeach How did you do the book outlines? Did the same students draw them? #rwworkshop

thereadingzone 7/6/2011 9:40 PM RT @RdngTeach: @kelleemoye I'm a different teacher than most of my kids have experienced. Different is good:-) #rwworkshop

RdngTeach 7/6/2011 9:39 PM @russgoerend @hrmason RT @RdngTeach: <http://yfrog.com/kgb1rij> This is what our bookshelf looked like early in the year. #rwworkshop

RdngTeach 7/6/2011 9:38 PM <http://yfrog.com/kgb1rij> This is what our bookshelf looked like early in the year. #rwworkshop

TKSlibrarian 7/6/2011 9:38 PM @kelleemoye @RdngTeach Charlie Joe Jackson's Guide to NOT Reading would make a great read aloud/discussion stater. #rwworkshop

hrmason 7/6/2011 9:37 PM @kelleemoye My struggle exactly! #rwworkshop

kelleemoye 7/6/2011 9:35 PM If you had a 45 minute class period of reading and wanted to do reading workshop, how would you break up your periods? #rwworkshop

hrmason 7/6/2011 9:32 PM @RdngTeach Definately send a pic. Was thinking of keeping a master list of books read, but your visual is better. #rwworkshop

RdngTeach 7/6/2011 9:30 PM @hrmason If it were me? Minimum of 10 min of reading and 10 min of writing every day. #rwworkshop

Somewher I have a picture of our class "bookshelf". I'll try to post in next few days with
 RdnngTeach 7/6/2011 9:30 PM the hashtag! #rwworkshop
 @kelleemoye I had talented artist in my class draw the bookshelf on brown butcher
 RdnngTeach 7/6/2011 9:29 PM paper. I drew book spine template and copied. #rwworkshop
 @mrsalander @jenniesmith But MS go 4 weakness. Don't have to set it up so u make
 RdnngTeach 7/6/2011 9:28 PM them expect u 2 falter. #neverlethemseeyousweat #rwworkshop
 @RdnngTeach I should say my problem not a problem with reading everyday.
 hrmason 7/6/2011 9:28 PM #rwworkshop
 RT @RdnngTeach: I argue that biggest prob my kids have w/state test is lack of rdng
 kelleemoye 7/6/2011 9:28 PM stamina. Reading every day builds that! #rwworkshop
 @RdnngTeach Where do you get the paper shelves? Just make them or are they a
 kelleemoye 7/6/2011 9:27 PM template? #rwworkshop
 My book shelf wall has student written book reviews. When kids are looking for
 hrmason 7/6/2011 9:27 PM something to read, they check there. #rwworkshop
 @RdnngTeach Love the shelves ideas. Shows community around books as well.
 kelleemoye 7/6/2011 9:27 PM #rwworkshop
 mrsalander 7/6/2011 9:26 PM @kelleemoye @RdnngTeach yes, honesty is needed... #rwworkshop
 @RdnngTeach I'm doing them everyday this year and I love the idea of filling the shelves!
 jenniesmith 7/6/2011 9:25 PM #rwworkshop
 @kelleemoye I argue that biggest prob my kids have w/state test is lack of rdng stamina.
 RdnngTeach 7/6/2011 9:25 PM Reading every day builds that! #rwworkshop
 @RdnngTeach That is great! My 8th graders love read alouds... they wont admit it but
 jenniesmith 7/6/2011 9:24 PM they begged for them! (ctd) #rwworkshop
 @kelleemoye You've done the notebook in some way, just not this way. It's ok. Even if
 RdnngTeach 7/6/2011 9:24 PM you've doen it b4 u may falter. #rwworkshop
 @RdnngTeach I have to not let the storm of state testing & reading programs take away
 kelleemoye 7/6/2011 9:24 PM from my reading everyday & promoting books. #rwworkshop
 @kelleemoye Nah! If something doesn't go well, talk to them. Say 'I don't think x is
 RdnngTeach 7/6/2011 9:23 PM working. What changes would you make?" #rwworkshop
 Our goal was to see how many books we could read as a whole group. My kids got so
 RdnngTeach 7/6/2011 9:23 PM excited to see the shelves filling up! #rwworkshop
 RT @RdnngTeach: Reading is not a choice in my room. It is just what we do. And I love
 russgoerend 7/6/2011 9:23 PM when my kids tell people that! #rwworkshop

@RdngTeach When I start the reader's notebook, should I admit to them that I've never
 kelleemoye 7/6/2011 9:22 PM done it so if I falter they know why? #rwworkshop
 RdngTeach 7/6/2011 9:22 PM This year I posted a paper book shelf on wall and kids "shelved" their book titles when
 they finished. No names, just titles. #rwworkshop
 RdngTeach 7/6/2011 9:21 PM Reading is not a choice in my room. It is just what we do. And I love when my kids tell
 people that! #rwworkshop
 @kelleemoye we read every day in class. From day 1. We do a book pass I talk up books.
 RdngTeach 7/6/2011 9:20 PM I read excerpts. Everyone has a book day 1 #rwworkshop
 RdngTeach 7/6/2011 9:19 PM My kids tell me" I don't do the reader thing", then they argue w/me 2mnths later when I
 try 2 leave rdng off minimum day agenda #rwworkshop
 @RdngTeach I am also worried about this being my first time doing it and not being
 kelleemoye 7/6/2011 9:19 PM consistent so I will not seem firm. #rwworkshop
 @kelleemoye Those are the kids I teach! They will be reluctant at first. But they will
 RdngTeach 7/6/2011 9:18 PM come around. You just stay firm. #rwworkshop
 I, too, am nervous about attempting it with my intensive readers....they do think reading
 VanessaCapaldo 7/6/2011 9:18 PM is evil! #rwworkshop
 @RdngTeach Next year I am teaching intensive reading & I am worried more about
 kelleemoye 7/6/2011 9:17 PM resistance than before. They view reading as evil #rwworkshop
 @RdngTeach @kelleemoye same here! I never fit into a mold & I think that makes all
 jenniesmith 7/6/2011 9:17 PM the difference in my class & students #rwworkshop
 @kelleemoye I'm a different teacher than most of my kids have experienced. Different
 RdngTeach 7/6/2011 9:15 PM is good:-) #rwworkshop
 @RdngTeach LOL Thanks! I've always been different than other teachers, but I know
 kelleemoye 7/6/2011 9:14 PM that these kids have never been in a workshop #rwworkshop

 RT @kelleemoye: Reminder: #rwworkshop chat is tonight at 9PM EDT. Please join us to
 RdngTeach 7/6/2011 9:14 PM discuss reading & writing workshop- experts & novices alike! :) Pls RT
 @kelleemoye yes! I use mentor texts and now I now have student examples too. I won't
 jenniesmith 7/6/2011 9:14 PM pull those out until later in the unit tho #rwworkshop
 @kelleemoye It's your classroom. Set up your expectations. Resistance is futile :)
 RdngTeach 7/6/2011 9:13 PM #rwworkshop
 kelleemoye 7/6/2011 9:12 PM @jenniesmith Do you use mentor texts to show examples? #rwworkshop
 I'm worried about having kids that never have done any sort of workshop and will be
 kelleemoye 7/6/2011 9:12 PM resistant. #rwworkshop

... because it seems easiest for them to glide into. I teach all writing but (of course) bring
jenniesmith 7/6/2011 9:05 PM a lot of reading into my wkshp #rwworkshop
Last yr was the 1st yr for my wkshp& this will be a new grp w/ no wkshp experience. I
jenniesmith 7/6/2011 9:04 PM think im starting w/ per. narrative (ctd) #rwworkshop
What units you are thinking of starting with as well as how you are going to make your
kelleemoye 7/6/2011 9:02 PM class a culture of reading/writing? #rwworkshop
Hello and welcome to reading/writing workshop! I thought today we could talk about
kelleemoye 7/6/2011 9:01 PM how we're going to start our year. #rwworkshop
